

## Attaching the encoders to the Pinnacle Deck

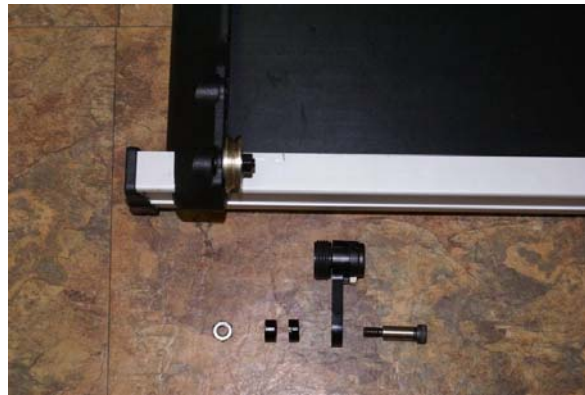

Upper Deck

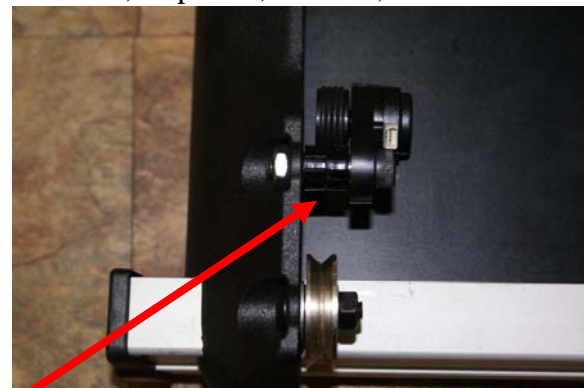

Lower Deck

Bolt, encoder, 2 spacers, and nut.

Nut, 2 spacers, encoder, and bolt.

2spacers go here

Now attach your cable to each encoder there is no left or right, or right or wrong.  
*Note: However the pin locations are offset be careful when attaching to encoder.*  
Next attach cable to control box on the sewing machine.
